

Phyllis Tubbs-Gingerich

RN, BSN, LE, CLT Lymphedema
&
Cancer Care Specialist,
LANA Nationally Certified

Phyllis was born in Evansville, IN. and moved to California in October 1987. She has specialized in cancer care for over 40 years, 25 of those years caring for lymphedema patients. Although she specializes in children with primary lymphedema, Phyllis serves patients of all ages affected with cancer and lymphedema. Phyllis founded the Ginger-K Lymphedema & Cancer Care Center in 1989. The Center is located in Morgan Hill, CA. and since 1989 the clinic has served over 5,000 patients.

Understanding that each patient has specific needs, Phyllis strives to treat each patient individually by listening to them, accessing problems and taking care of their needs. She is committed to giving each patient the highest level of care and satisfaction.

Phyllis' credentials include: Registered Nurse with Bachelor of Science in Nursing, Lymphedema & Cancer Care Specialist, Skin & Wound Care Specialist, Board Certified Mastectomy & Orthotic Fitter, CA. Licensed DME Fitter & Supplier, Certified Burn & Gradient Compression Garment Fitter & Supplier, and Exclusive Medical Wig Fitter for Alopecia.

Phyllis teaches CEU practicum/apprenticeship courses for medical professionals in the clinical setting. She has developed a series of CEU - on-line courses to expand knowledge of lymphedema. She teaches high school & college students cancer awareness and presents disease prevention & self-care classes to adults of Santa Clara County. She has designed an internship program for students seeking medical careers and has developed a 5-part study to reduce incidence and recurrence of breast cancer. Phyllis continues to expand the Ginger-K Library with updated self-care instructions and education for patients.

Phyllis continues to expand the Creek Lane Bio-Medical Products' line of durable medical equipment and skin care products.
